## **BiBBInstruments announces preliminary outcome of rights issue**

**BiBBInstruments AB ("BiBB" or the "Company") today announces the preliminary outcome of the rights issue of units of approximately SEK 36.5 million that was announced by the Company on 8 November 2024 (the "Rights Issue"). The preliminary outcome of the Rights Issue indicates that 1,877,646 units, corresponding to approximately 51.4 percent of the Rights Issue, were subscribed for both with and without the support of unit rights. The Rights Issue was covered to approximately SEK 27.6 million, corresponding to 75.5 percent, by subscription commitments, declarations of intent and guarantee commitments. Consequently, approximately 877,636 units, corresponding to approximately SEK 8.8 million or approximately 24.0 percent of the Rights Issue, are expected to be subscribed through utilization of the guarantee commitments, of which the bottom guarantors subscribe 677,636 units and the top guarantor subscribes 200,000 units. Through the Rights Issue, the Company will initially receive approximately SEK 27.6 million before issuance costs. Should all attached warrants of series TO 1 (the "Warrants"), relating to the issued units in the Rights Issue, be exercised, the Company may receive an additional amount of at least SEK 9.0 million.**

*"It is gratifying that BiBB is now funded for the upcoming commercial phase. 2025 will be an intense year, and we would like to thank both our existing shareholders and the new investors who have supported the Company and participated in the capitalization. We will work hard to honor your trust",* says Fredrik Lindblad, CEO of BiBB.

*"In our view, BiBB has developed a series of truly innovative powered products within the biopsy space, where the traditional manual needle technique has come close to its limits in terms of being further refined. We believe in the potential for shifting to this new technology with its advantages, and we are very pleased to be invited to participate in the commercialization journey with BiBB",* says Jan Poulsen, CEO Life Science Invest Fund I ApS.

### **Preliminary outcome of the Rights Issue**

The subscription period in the Rights Issue ended on January 21, 2025 and the preliminary subscription summary indicates that 1,713,046 units, corresponding to approximately SEK 17.1 million, or approximately 46.9 percent of the Rights Issue, were subscribed for with the support of units rights and 164,600 units, corresponding to approximately SEK 1.6 million, or approximately 4.5 percent of the Rights Issue, were subscribed for without the support of unit rights, for a combined total subscription, with and without the support of unit rights, of approximately 51.4 percent. The Rights Issue was covered to approximately SEK 27.6 million, corresponding to 75.5 percent, by subscription commitments, declarations of intent and guarantee commitments. Consequently, approximately 877,636 units, corresponding to approximately SEK 8.8 million or approximately 24.0

percent of the Rights Issue, are expected to be subscribed through utilization of the guarantee commitments, of which the bottom guarantors subscribe 677,636 units and the top guarantor subscribes 200,000 units. Through the Rights Issue, the Company will initially receive approximately SEK 27.6 million before issuance costs.

Allocation of units in the Rights Issue will be conducted according to the principles specified in the EU growth prospectus issued in connection with the Rights Issue, published by the Company on December 19, 2024 (the “**Prospectus**”). Notifications regarding the allocation of units subscribed without the support of unit rights will be sent via contract notes to those allocated units. Nominee-registered shareholders will receive allocation notifications in accordance with the procedures of each respective nominee.

### **Trading in BTU**

The final outcome of the Rights Issue is expected to be announced on January 22, 2025. Trading in paid subscribed units (“**BTU**”) will continue on Spotlight Stock Market up to, and including, January 27, 2025.

### **Warrants**

One (1) Warrant entitles to subscription of one (1) new share in the Company, during the period from and including May 22, 2025 to and including June 5, 2025. The subscription price when exercising the Warrants will be determined as 70 percent of the volume-weighted average price (“**VWAP**”) of the Company’s shares on Spotlight Stock Market during the measurement period 5 – 16 May 2025, however, no less than SEK 3.25 and no more than SEK 6.00.

### **Advisers**

## About BiBB

*The cancer diagnostics company BiBBInstruments AB develops and manufactures EndoDrill®, a patented product line of electric-driven endoscopic biopsy instruments. The EndoDrill® instruments take high-quality tissue samples with high precision with the goal of improving the diagnosis of several serious cancers, such as stomach, pancreas, liver, lung, and bladder. The product portfolio is aimed at the global market for ultrasound-guided endoscopic (EUS/EBUS) biopsy instruments, which constitute the most advanced and fast-growing area of endoscopy. BiBB received 510(k) clearance from the US FDA for the lead product EndoDrill® GI in 2023. At the beginning of 2024, CE marking according to MDR was also obtained for all three product variants: EndoDrill® GI, EndoDrill® EBUS and EndoDrill® URO. Thus EndoDrill® is the first cleared electric endoscopic biopsy system in both the US and Europe. The EndoDrill® system includes sterile disposable biopsy instruments with associated drive system. The company was founded in 2013 by Dr. Charles Walther, cancer researcher at Lund University and senior consultant in clinical pathology at Skåne University Hospital in Lund. BiBBInstruments is based at Medicon Village in Lund and the BiBBInstruments share (ticker: BiBB) is listed on Spotlight Stock Market.*
